Bible Story: 1 Samuel 8-10

Watch

Watch the weekly Bible story with your child(ren). You can find the video on our Roku, AppleTV, and Google play channel. These videos can also be found at www.crossroadschur.ch/kids.

Read

Practice memorizing Psalm 51:10 with your kids. Use motions to practice the verse and older kids can create a poster they can display in the house with the Bible verse.

"God, create a pure heart in me. Give me a new spirit that is faithful to you."
Psalms 51:10NIrV

Activity

Play a game of 20 questions with your kids. Ask them to think of something they want. you have to guess it by asking no more than 20 YES or NO questions about it. After you finish say, "Sometimes things we want are not things we need. The Israelites wanted a king to lead them. They didn't need a king. They had God leading them. God already had a plan to give them a king many, many years down the road—when the time was right. What kind of king did God plan to give Israel? God planned to send a perfect king. His is name was Jesus."

Pray

Just like the Israelites, we often want things to go they way we want them. Make a list of things or events coming up as a family and talk each one through. Remind your kids that God is in control and that He has a plan. Pray for these events coming up as a family. Ask God for help trusting Him.
